

Face-to-face Training Joining Instructions

Required prior to commencement:

Candidates must complete the online [Candidate Form](#) as soon as possible, and no later than one week before the course start date.

Arrival Time:

Candidates should report to reception by 08:30am on the first morning of the course. Classes will begin at 09:00am (local time).

Travel Information:

Candidates should arrange transportation to their designated training center. Local transportation options, such as taxis and public transit, are available in most locations. Please check local travel options in advance.

CAT (Continuous Adaptive Training)

Course material will be available through our Continuous Adaptive Training (CAT) system. If you are not yet registered, you will receive an automatic email with instructions to set your password. If you have previously used the system, your existing login details will remain valid.

To ensure access to CAT during the course, candidates will be provided with a tablet, which they may take to their accommodation for completing homework. This tablet must be returned before the final assessment. However, we recommend that **candidates bring their own laptop or tablet** for a more convenient learning experience.

Should you wish to have access to our pre-course training material, you can view subscription options by clicking [HERE](#).

Food & Refreshments:

Tea, coffee, and light refreshments will be provided throughout the course. Lunch may be available at some centers. Please check with your specific location for details.

Course Completion & Departure:

The course will conclude by 1pm on the final day. Candidates should arrange onward travel accordingly. If flying, please ensure sufficient time to reach the airport and check in at least two hours before departure.
